

German engineering at its best

Toners | Printers | Service | Leasing | MPS

PRESS RELEASE – January 24th 2017

German Imaging Technologies (GIT) is awarded as Asia's Greatest Brands and Greatest Leaders 2016.

Mr. Vikram Nair, Member of Parliament Singapore
Dr. Sassan-Dieter Khatib Shahidi, CEO GIT
His Excellency James Sinclair Manley, Ambassador
in Singapore, Republic of Chile

German Imaging Technologies, the leading printing document solutions provider in the Middle East and Africa, is humbled to receive a double award, as “Greatest Brand 2016” and as “Greatest Leader 2016”. “

“GIT has been the industry leading document printing company in the Middle East and Africa for the past 10 years. We are grateful to the organizers, AsiaOne and PricewaterhouseCoopers for the recognition of our achievements. This gives us extra confidence to expand to other markets and keep impacting people’s lives.” declared Dr. Sassan-Dieter Khatib Shahidi, CEO and founder of German Imaging Technologies.

Asia’s Greatest Brands and Leaders, an award chosen by consumers and industry leaders, audited by PricewaterhouseCoopers, recognizes the 100 Greatest Brands and 50 Greatest Leaders in Asia and the Middle-East, felicitating them for their corporate and social contributions. Founded in 1999, German Imaging Technologies has been recognized by IDC as the leading OEM-alternative supplier from 2007 and continues to help more than 2,000 customers in 15 countries across the Middle-East and Africa by providing premium remanufactured toner cartridges, printers, leasing, service contracts and managed print services, helping these customers reduce their problems, costs and environmental impact. The company has embarked on a regional expansion strategy and prides itself in delivering a compelling turn-key printing solution in a reliable, responsible and responsive manner.
